OUR MISSION The Verde Valley Wine Consortium is a wine producers' trade organization that promotes, enhances and connects every part of the wine community in the Verde Valley.

OUR VISION The Verde Valley Wine Consortium assists in creating, nurturing and advancing the Verde Valley as a significant and important wine region – locally, regionally, nationally and internationally – in every aspect of winemaking, wine culture, wine education and wine tourism.

OUR ANNUAL SYMPOSIUM The Verde Valley Wine Symposium is our annual summer fundraising event, generating much needed funds for the burgeoning Verde Valley wine industry. The symposium is a weekend long event focused on enhancing the connectivity of the Verde Valley Wine Community, as well as fostering important education in winemaking, the wine business and wine industry related legislation.
